RE: CG Docket No. 03-123, DA 19-502
HAMILTON RELAY, INC.
Annual Consumer Complaint Log Summaries (June 1, 2018 - May 31, 2019)

Dear Ms. Dortch:

Hamilton Relay, Inc. ("Hamilton"), by its counsel and pursuant to Section 64.604(c)(1)(ii) of the Commission's rules, hereby respectfully submits its annual summary of consumer complaints for the period June 1, 2018 – May 31, 2019. The enclosed complaint logs cover Hamilton's provision of interstate traditional telecommunications relay service ("TRS"), including Speech-to-Speech, and Internet Protocol Captioned Telephone service ("IP CTS"). Hamilton is located at 1006 12th Street, Aurora, NE 68818.

Hamilton tracks all complaints and all other customer service activity. For interstate traditional TRS, Hamilton's complaint summary includes the following database categories:

Traditional and Speech to Speech Interstate TRS Database Categories

- External Complaints – Miscellaneous
- Service Complaints – CA Did not Keep User Informed
- Service Complaints – CA Gave Wrong Information
- Service Complaints – CA Accuracy/Spelling/Verbatim
- Service Complaints – Didn't Follow Policy/Procedure
- Service Complaints – Miscellaneous
- Service Complaints – STS Call Handling Problems
- Service Complaints – Suspicious/Harassment Call

For IP CTS, Hamilton's complaint summary includes the following database categories:

- Internet Caption Phone – Service
- Internet Caption Phone – Service Complaints - Accuracy of Captions
- Internet Caption Phone – Service Complaints – Captions – No Captions

- Internet Caption Phone – Service Complaints – Speed of Captions
- Internet Caption Phone -- Service Complaints – Dial Tone – Not Heard
- Internet Caption Phone -- Technical Complaints – General
- Internet Caption Phone -- Technical Complaints – External Miscellaneous
- Internet Caption Phone -- Technical Complaints – Unable to Call
- Mobile CapTel – Service Complaints - Complaints
- Mobile CapTel – Service Complaints - Connection Issues
- Mobile CapTel – Technical Complaints - External – Miscellaneous
- Mobile CapTel – Technical Complaints - General
- Mobile CapTel – Technical Complaints – Unable to call
- Web CapTel – Service Complaints - Captions stop during call
- Web CapTel – Service Complaints – Connection Issues
- Web CapTel – Service Complaints – Service - General
- Web CapTel – Technical Complaints – General
- Web CapTel – Technical Complaints - External Miscellaneous
- Web CapTel – Technical Complaints – Unable to Call

Hamilton processes any complaint which originates via e-mail, fax, telephone, regular mail, outreach events or at the workstation. Hamilton's policy is to provide a resolution to all complaints within 72 hours of receipt.

Finally, Hamilton is separately filing, on a confidential basis, a summary including the total number of interstate calls by type of TRS.

Should you have any questions concerning this filing, please contact the undersigned.

Respectfully submitted,

WILKINSON BARKER KNAUER, LLP

/s/ David A. O'Connor

911764	06/11/2018 02:25pm	12177	KK	KK	Customer reported that the captions were appearing inaccurately on the CapTel 2400i.	06/20/2018 12:57pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies. After explaining how captions are produced and advising on what factors may contribute to caption inaccuracies, CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer by phone reporting action taken and offered further follow-up assistance, if desired.	Service	
914529	06/19/2018 08:55pm	N/A	LA	LA	Customer's daughter reported seeing "Waiting for CapTel Operator" while answering an incoming Spanish CapTel call.	06/19/2018 08:56pm	CSR determined that the daughter had hung up during the affected call and then redialed the number and successfully connected to captions the second time. CSR apologized for the experience and advised that, if this situation reoccurs, they may turn the Captions button off and then back on in order to establish a new connection with a CA. CSR confirmed that the customer is now receiving Spanish captions successfully.	Service	
915187	06/21/2018 01:44pm	10637	CBe	CBe	Customer reported captions stopped mid call on the CapTel 840i and they subsequently disconnected the call.	07/03/2018 02:42pm	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. After explaining how captions are produced and advising on what factors may contribute to caption delay, CSR confirmed that the customer would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer by phone reporting action taken and offered further follow up on any future calls.	Service

920743	07/10/2018 12:22pm	2464	CC	CC	Customer reported an extended delay in the captions on their CapTel 2400iBT.	07/10/2018 03:07pm	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer and shared action taken on their behalf.	Service	
921141	07/11/2018 11:20am	14380	AK	AK	Customer reported inaccurate captions on the CapTel 840i.	07/18/2018 05:43pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call and sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA received additional coaching to help maximize the CA's performance. The customer requested no follow-up on the matter.	Service	
922242	07/14/2018 01:38pm	1827	ST	ST	Customer reported that some calls have significant delay in captions behind the spoken words.	07/15/2018 10:08am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR's investigation found a recent call with caption delay. CSR sent call details of a call in question to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA on the call documented a trouble ticket for static and distortion on the particular call. This audio difficulty notably affected captioning. The CA's supervisor also increased monitoring and coaching to optimize the CA's captioning performance to ensure timely captioning.	Service	
923204	07/17/2018 04:57pm	14358	GT	GT	Customer reported delayed captions behind the spoken words on the CapTel 840i.	07/25/2018 02:45pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR confirmed that the customer would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor provided coaching to optimize the CA's captioning performance.	Service

923205	07/17/2018 04:46pm	11148	CE	CE	Customer reported an inaccurate conversation captioned on the CapTel 840i.	07/26/2018 10:00am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies and sent call details to the appropriate supervisory staff for further follow-up. The CA's supervisor met with the CA and provided coaching as well as increased monitoring to optimize the CA's captioning performance. CSR followed up with the customer by phone reporting action taken and offered further follow-up assistance, if desired.	Service	
923357	07/17/2018 04:29pm	N/A	ES	ES	Customer emailed and reported experiencing inaccurate captions during answering machine messages on the CapTel 2400i.	07/26/2018 10:09am	CSR followed up by phone. CSR apologized for their experience and attempted to gather details about any specific answering machine messages with caption inaccuracies. The customer was unable to provide any further information. CSR recommended the customer review the messages to gather examples that we can take specific action on with the CA captioning the call. Customer said she would do so. CSR followed up with customer by phone at a later date to gather specifics, but customer stated she found she deleted the answering machine messages. CSR reiterated we would be happy to follow up given details needed to investigate further for her. Customer thanked CSR for the follow up efforts.	Service	
923420	07/18/2018 10:57am	10014	CBe	CBe	Customer reported experiencing delay of captions behind the spoken words when using the CapTel 2400i.	07/26/2018 02:26pm	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR later spoke with the customer by phone reporting follow up action taken.	Service	
924022	07/19/2018 05:00pm	10568	PZ	PZ	The customer's daughter reported inaccurate captions on the CapTel 2400iBT.	07/25/2018 02:43pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies. After explaining how captions are produced and advising on what factors may contribute to caption inaccuracies, CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. The customer's daughter previously stated that no further follow up with the customer was necessary. CSR therefore offered further assistance upon request.	Service

924879	07/23/2018 11:36am	N/A	CBe	CBe	Customer reported on a previous call, they hadn't seen the captions for .com, / or @ and wondered if they should.	07/26/2018 10:50am	CSR apologized and confirmed they should see the missing characters noted in captions. CSR attempted to gather details regarding the call with these omissions, but the customer stated they did not want to provide further information as they were just wondering if that should be captioned or not. After explaining how captions are produced and advising on what factors may contribute to captions, CSR recommended the customer take note of the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call. Upon follow up, customer stated they were happy with the phone's performance, and stated they would contact customer service as necessary.	Service	
925173	07/24/2018 07:59am	11016	TJ	TJ	Customer reported a delay in captions behind the spoken words on a specific call.	07/26/2018 02:42pm	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. After explaining how captions are produced and advising on what factors may contribute to caption delay, CSR confirmed that the customer would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer by phone reporting action taken and offered further follow-up assistance, if desired.	Service	
925434	07/24/2018 03:53pm	N/A	PZ	PZ	The customer's wife sent in a brief note sharing general feedback regarding the captions on some calls on the CapTel 840i.	08/02/2018 02:33pm	CSR attempted to reach the customer by phone in order to gather details about any specific calls with caption inaccuracies, but CSR was unable to successfully reach the customer. CSR sent a letter, apologizing and thanking the customer's wife for bringing their experience to our attention. CSR provided a form and self addressed envelop so the customer can provide specifics for us to follow up on with Call Center personnel. This letter was sent after 3 failed attempts to connect by phone.	Service	
926756	07/28/2018 09:49am	1278	PL	PL	Customer reported experiencing delay of captions behind the spoken words when using the CapTel 840i.	08/06/2018 05:36pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR further investigated and identified the call with lag time behind the norm. Call detail was sent to the Call Center for follow up with the CA by the CA's supervisor. The CA's supervisor will provide coaching and increased monitoring.	Service

969640	12/07/2018 04:31pm	14329	BRM	BRM	Customer reported they had only received captions during part of a specified call on the CapTel 840i.	12/27/2018 12:12pm	CSR apologized, thanked the customer for bringing their experience to our attention, and then gathered details about the referenced call. After explaining how captions are produced, CSR sent call details to the appropriate captioning service supervisory staff so that further follow-up could be performed with the CA who assisted with the call. The CA's supervisor subsequently arranged for the CA to receive additional monitoring and coaching in order to optimize their captioning performance. CSR followed up with the customer by phone and relayed this information to the customer.	Service	
969952	12/09/2018 02:05pm	11054	SO	SO	Customer's son reported experiencing delay of captions behind the spoken words when using the CapTel 840i.	12/11/2018 04:14pm	CSR apologized, thanked the caller for bringing their experience to our attention, and gathered details about the call with caption delay. After explaining how captions are produced and advising on what factors may contribute to caption delay, CSR confirmed that the customer's son would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance on similar calls in the future. CSR left a voicemail for the customer's son to apprise him of the actions taken in response to his original report and offered further assistance upon request.	Service	
972281	12/17/2018 11:51am	N/A	PL	PL	Customer reported by email general feedback regarding the inaccuracy of captions on the CapTel 840i.	12/20/2018 03:32pm	CSR sent a reply to apologize for the experience and to thank the customer for bringing the matter to our attention. In the reply, CSR explained how captions are produced, advised on the factors that may contribute to inaccurate captions. CSR's reply further explained how to request a different captionist during the call, error corrections and how they will appear, and what to expect in captions. CSR's reply also attempted to gather details about any specific calls with caption inaccuracies, but, in further correspondence, the customer was unable to provide any specific information to follow up on. CSR advised the customer take note of the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call.	Service	
972836	12/18/2018 04:26pm	N/A	ES	ES	Customer's son shared general feedback regarding inaccurate captions on the CapTel 840i.	12/26/2018 04:39pm	CSR apologized and thanked the customer's son and customer for bringing their experience to our attention. CSR attempted to gather details about any specific calls with caption inaccuracies but the customer was unable to provide further information and the son's review of call history only showed calls saved from 5 months ago. CSR followed up with the customer a week later and asked if they had had any unsatisfactory calls to share. The customer could not cite any. The CSR recommended the customer take note of the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call. The customer said they understood and noted appreciation for the phone and service.	Service

987700	02/09/2019 01:02pm	4016	EJ	EJ	Customer's daughter-in-law reported experiencing a delay of captions behind the spoken word when using the CapTel 840i.	02/12/2019 03:47pm	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. After explaining how captions are produced and advising on what factors may contribute to caption delay, CSR confirmed that the customer would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance.	Service	
988051	02/11/2019 10:52am	N/A	CBe	CBe	Customer reported experiencing inaccurate captions when using the CapTel 2400i.	02/19/2019 09:45am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR attempted to gather details about any specific calls with caption inaccuracies but the customer was unable to provide further information. After explaining how captions are produced and advising on what factors may contribute to inaccurate captions, CSR recommended the customer take note of the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call. CSR attempted to follow up with the customer by phone to gather more details but was unsuccessful. CSR subsequently sent the customer an email with instructions offering further assistance upon request. CSR called in follow up on 3/6/19 but was unable to connect with the customer to learn if they had additional details.	Service	
989531	02/15/2019 12:30pm	14454	PZ	PZ	The customer's husband reported inaccurate captions on the CapTel 2400iBT.	02/22/2019 11:02am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies and sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer by phone, reporting action taken and offered further follow-up assistance, if desired.	Service	
991153	02/21/2019 09:22am	4027	EDS	EDS	Customer reported missing and inaccurate captions on the CapTel 2400iBT while accessing an automated recording.	02/28/2019 09:22am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies. After explaining how captions are produced and advising on what factors may contribute to caption inaccuracies, CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor later reported that the CA had experienced technical difficulties at their workstation which prevented them from captioning accurately and making corrections.	Service

993391	02/28/2019 02:34pm	N/A	PL	PL	Customer's assistant reported observing inaccurate captions on the CapTel 840i.	03/06/2019 10:54pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR attempted to gather details about any specific calls with caption inaccuracies but the customer was unable to provide further information. After explaining how captions are produced and advising on what factors may contribute to inaccurate captions, CSR recommended the customer take note of the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call. After offering this advice, CSR attempted to follow-up on several separate occasions, but was not able to reach the assistant. CSR subsequently sent the customer a letter iterating this information in detail.	Service	
994391	03/04/2019 01:02pm	10742	SS	SS	Customer's son reported a delay in captions behind the spoken words when using the CapTel 2400iBT.	03/13/2019 01:34pm	CSR apologized, thanked the customer's son for bringing their experience to our attention, and gathered details about the call with caption delay. After explaining how captions are produced and advising on what factors may contribute to caption delay, CSR confirmed that the customer's son would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer's son by phone reporting action taken and offered further follow-up assistance, if desired.	Service	
997225	03/13/2019 01:00pm	3750	AB	AB	Customer reported seeing inappropriate captioning on a very brief call on the CapTel 2400iBT, but could not hear the audio.	03/16/2019 08:04am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies. CSR's investigation found the CA entered a trouble ticket noting audio "soft". CSR also sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's Supervisor will work closely with the CA to ensure accurate and appropriate captions. CSR followed up with the customer by phone reporting action taken.	Service	
997907	03/15/2019 10:37am	N/A	OL	OL	Customer shared general feedback that she had experienced inaccuracies in captions when using the CapTel 2400iBT.	03/27/2019 09:53am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR attempted to gather details about any specific calls with caption inaccuracies but the customer was unable to provide any specifics. After explaining how captions are produced and advising on what factors may contribute to inaccurate captions, CSR recommended the customer take note of the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call. Upon follow up, CSR confirmed the customer has not experienced further inaccuracies in captions. CSR offered ongoing assistance upon request.	Service

1003135	04/02/2019 09:36am	1252	JB	JB	Customer reported experiencing delay of captions behind the spoken words when using the CapTel 2400iBT to call a business.	04/08/2019 09:47am	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. After explaining how captions are produced and advising on what factors may contribute to caption delay, CSR confirmed that the customer would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance.	Service	
1004876	04/08/2019 10:00am	N/A	TS	TS	Customer inquired about receiving a message in the captions "(No further information. Your call will be disconnected.) (Hung up) Thank you. Bye. CA#C2477" on the CapTel 2400iBT.	04/23/2019 10:48am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call where the message was noted. CSR confirmed that the message in the captions was sent due to the CA receiving no audio from the other party. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. Call Center personnel followed up with the CA and the Call floor supervisor to confirm procedure was followed appropriately. CSR sent a follow-up email to the customer reporting action taken and offered further follow-up assistance, if desired.	Service	
1005245	04/08/2019 11:03pm	N/A	ELS	ELS	Customer reported inaccurate captions on the CapTel 880i.	04/17/2019 01:47pm	At the time of initial contact, CSR was not able to gather details about any specific calls with caption inaccuracies. As CSR was not able to provide further assistance upon follow-up, CSR sent a letter advising the customer document the date, time, and CA# of any future calls where caption inaccuracies are experienced so that we may take specific action with the CA captioning the call.	Service	
1005669	04/10/2019 11:14am	11082	SO	SO	Customer reported experiencing delay of captions behind the spoken words when using the CapTel 2400iBT.	04/16/2019 01:45pm	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. CSR explained how captions are produced, advising on what factors may contribute to caption delay, and advised that should the situation recur they can tap the captions button twice to start a new captioning session and request that the person they are speaking with speak more slowly. CSR confirmed that the customer would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer by phone reporting action taken, reiterating advice given, and offering further assistance as needed.	Service

1005679	04/10/2019 11:42am	12088	PZ	PZ	The customer reported a delay in captions behind the spoken word.	04/16/2019 10:14am	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. After explaining how captions are produced and advising on what factors may contribute to caption delay, CSR confirmed that the customer would like the information provided regarding the call in question to be sent to captioning service staff for further follow-up. CSR followed up with the captioning service staff and confirmed that a technical difficulty on that call resulted in the delay in captions. CSR sent the customer a letter explaining the technical difficulty as well as giving the advice of turning captions off and on again during a call should there be extreme delay on a call, and offering further assistance upon request.	Service	
1005749	04/10/2019 01:25pm	10670	EJ	EJ	Customer reported inaccurate captions during a call on the CapTel 2400iBT.	04/16/2019 01:16pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call with caption inaccuracies. After explaining how captions are produced and advising on what factors may contribute to caption inaccuracies, CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. The customer stated that they did not wish for additional follow up from Customer Service on this matter.	Service	
1006091	04/11/2019 01:47pm	6353	SO	SO	Customer reported captions of some spoken words were not included in a conversation on the CapTel 2400iBT.	04/14/2019 10:27am	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details about the call where some spoken words were not included. CSR sent call details to the appropriate supervisory staff for further investigation. Investigation showed the CA documented a trouble ticket on the call noting a lack of incoming audio from the other party's end of the call at one point. This would explain the customer's experience. CA's Supervisor confirmed that the matter was not a technical incidence at our end. Customer had noted no follow up was desired.	Service	
1006538	04/12/2019 05:36pm	12067	ELS	ELS	Customer's assistant reported an inaccurate proper name in captions when retrieving an internal answering machine message on the CapTel 2400iBT.	04/30/2019 05:27pm	CSR apologized and thanked the customer for bringing their experience to our attention. CSR gathered details and sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance. CSR followed up with the customer by phone reporting action taken.	Service	
1007144	04/15/2019 03:11pm	12060	CF	CF	Customer's assistant called to ask if captions could be faster and noted experiencing delay of captions behind the spoken words when using the CapTel 2400iBT.	04/18/2019 01:38pm	CSR apologized, thanked the customer for bringing their experience to our attention, and gathered details about the call with caption delay. CSR sent call details to the appropriate supervisory staff for further follow-up with the CA who assisted with the call. Upon meeting with the CA, the CA acknowledged the call reported was a fast paced call. The CA's supervisor increased monitoring and coaching to optimize the CA's captioning performance.	Service
